- Children are welcome and encouraged, you are welcome to provide your own food items for children.
- Wine is not offered, but you are welcome to bring a bottle to enjoy with your lunch. Glassware can be provided in the farm stand. Snowgoose Produce across the river from the farm has an excellent selection and we recommend them if you are looking to pick up a bottle on your way in. If you are bringing wine please let us know when you make your reservation so we can coordinate on the necessary restrictions through the restaurant's license.
- Dogs on leash are welcome, please keep in mind that our farm dog, Stella, has full range of the property. She is non-aggressive, safe around children, and other dogs, but she will take interest and be in the area. If you have any issues with dogs please reach out.
- We have a portable restroom onsite, but no changing area for infants.
- 3pm is a hard stop for these events due to farm dinners and other events that will require use of the space.
